## *From the Pastor's Desk...*

Dear Parishioners,

As the old expression goes: "if you don't like the weather; wait 15 minutes". In most cases it is a day, but the gist is that weather extremes can happen rather quickly. It certainly has been the case, here, as of late. We've gone from some beautiful Spring weather conditions to some Summer like weather in just a day. After a seemingly long Winter that was frequently windy, the conditions seem to be conducive to getting the convertible out more frequently. When the weather conditions aren't too conducive to be driving around with the top down on the car, I tend to forget about even using the convertible. I've gotten in "trouble" a few times because of this; what happened is that I didn't take the car out for a while and when I went to start the car the battery had drained out; a jump start would get it going and then I would drive around for about forty-five minutes to an hour to charge the battery. I've been pretty good about taking the car out this winter, but writing this article has me focused on getting the car out for an extended drive; but it must be good convertible weather; I don't find it much fun to take the convertible out in the rain. I have to say, the one aspect of this car that I don't like is that when the top is up, there is a terrible blind spot that makes it very difficult to pull out into some traffic; I guess that it is a small price to pay for the pleasure of driving a convertible.

As you recall, there were eight people received into the faith at Easter Vigil this year. While they were going through their classes to learn about the Catholic faith and discern if the Lord was indeed calling them to be one with us as Catholics, two young girls were attending classes the learn about the faith and prepare them to be received into the Church through the Sacraments of Baptism and Holy Eucharist. Now they are ready to receive these first two Sacraments of Initiation. These girls will be welcomed into the Church next Sunday during the 10:30am Mass. We're not having them Baptized after Mass and come back another time for First Holy Communion because in situations like this, the proper way for them to receive these two Sacraments is that it is done during Mass. In the Fall, they will begin religious education classes, at their age level, and will be Confirmed with their classmates. I hope that we will get a good turn-out next Sunday at the 10:30am Mass to witness and welcome these girls into the faith.

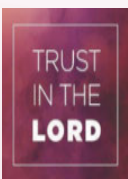

### *Come and journey with us.*

The process by which adults come into full communion with the Catholic Church is known as "OCIA", which is short for the Order of Christian Initiation of Adults. If you feel God calling you to this conversion of heart, please join us on this journey to a closer relationship with God and His Church. We will be offering a Q & A session on **Sunday June 29th, after the 10:30 Mass in the Parish Hall.** For more information, or

if you have a friend or family member who might benefit, please contact:

Deacon Yatcko @ [dcn.yatcko@aohct.org](mailto:dcn.yatcko@aohct.org) or Donna Yatcko @ [dmyatckocdw@aol.com](mailto:dmyatckocdw@aol.com)

It is fundamental that when you give to any charitable organization, you are confident the funds are used wisely. Be assured that your gift to the Archbishop's Annual Appeal supports the Catholic ministries and programs as indicated in the 2025 Appeal literature, which can be found at <https://archdioceseofhartford.org/appeal/>. **No Appeal funds are ever used for legal fees or settlements.**

### **Catholic Communication Campaign This Weekend**

There will be a second collection this weekend for the Catholic Communication Campaign. Through websites, social networks, television, radio, and print, the Catholic Communication Campaign (CCC) helps the Church spread the Gospel message through the media locally and nationally. Half of all donations to the CCC collected in your diocese stay in your diocese to support your local communications needs, such as radio and television programming (TV Mass & WJM Radio) and diocesan publications.

### **Low Gluten Hosts**

As a reminder, if you need to receive a Low Gluten Host during Communion, please go to **the first station on the South Side of the church (Children's Room Side)** and let them know when you reach the front by either pointing or informing the person distributing that you need the low gluten. If you are not prepared to receive communion, you can still come forward for a blessing by crossing your arms over your chest when you reach the front.

## White Elephant Tag Sale

## Appalachia Mission Trip 2025

*Faith. Service. Simplicity. Community. Compassion.*

### Help Us Build The Appalachia Trip!

We are so excited to be embarking on the 42nd Appalachia Trip, in partnership with St. John Bosco, and to have so many new participants from St. George this year!

We are always so grateful for your incredible support! If you are able, please consider...

- **Attending Our Annual Car Wash!** Saturday, June 7th in the St. George Parking lot, starting at 8am. Come by to get your car washed and support this service trip.
- **Sharing a Vehicle!** Each year, we use borrowed vehicles to travel to and from Booneville, and we are always in need of 7-8 passenger vehicles. If this is something you would consider, please reach out to us so we can share more about how we care for our vehicles, our liability and safety policies, and how we can support you while we're away (loaner vehicles are available!).
- **Making a Donation!** More than 90% of the funds we raise are infused directly into the economy in Booneville, KY as we purchase construction materials and other supplies. The remaining 10% pays for our gas and donations to the generous churches that host us while we're traveling. If you would like to support us financially, please visit our fundraising site on BetterWorld <https://appalachiatrip.betterworld.org/> or reach out to us directly.

## ESCA NEWS

Attached is a photo of ESCA student Liam (Gr. 8) who created this remarkably lifelike portrait of Sr. Annette D'Antonio, MPF, as a heartfelt remembrance. We profoundly miss Sr. Annette. Her beautiful voice and dedication to students as Principal of St. Mary School and Assistant Principal at East Shoreline Catholic academy are deeply missed. The unveiling of her portrait at the May Crowning, one of her cherished events among many religious activities she enthusiastically organized with students, was a poignant tribute.

### Film Study "Man For All Seasons"

**Wednesday, June 18 from 10:00 am to 12:30 pm**

Academy Award winning film "Man For All Seasons" depicts the conflict between St. Thomas More and King Henry VIII. When the King could not get a Papal annulment for his legitimate marriage, his next move was to separate from the Catholic Church and declare himself the head of the Church of England. This brought him into conflict with his Chancellor, Thomas More, a staunch Catholic. The film dramatizes the conflict and the high stakes that Thomas faces to remain true to his conscience. Jim Pepitone is the discussion leader. A free will donation will be welcomed. ## QUESTIONS OF THE WEEK

We invite you to reflect on these questions based on the Sunday morning scripture readings this week.

### First Reading:

The disciples were filled with the Holy Spirit and able to speak in multiple tongues so that all the people could understand them. When do you feel the Holy Spirit present in your life?

### Second Reading:

Paul assures us that as believers, the Spirit of God dwells in us. How ought the indwelling of the Spirit positively impact our day-to-day living?

### Gospel:

The resurrected Jesus sent out the disciples to forgive (or retain) sins. What has been your experience of the sacrament of Reconciliation? ©LPi

## WHY DO WE DO THAT? CATHOLIC LIFE EXPLAINED

### Why Use Incense?

#### Question:

Why do we use incense at Mass?

#### Answer:

The use of incense in religious ceremonies and worship is a practice that predates Christianity, and which is also found in many other religious traditions today.

Incense, which is made from resin infused with aromatic spices and oils, is one of those fundamentally human symbols that incorporates more than one of our senses, helping us to reflect on realities that transcend the everyday details of our lives.

The use of incense in the Church's liturgy — in the Mass, as well as in devotions to the Eucharist and the Liturgy of the Hours — is inspired by the use of incense in the Jewish tradition. In the writings of the Old Testament, we hear about incense being used in the worship of the temple, and Psalm 141 asks, "Let my prayer be incense before you; my uplifted hands an evening offering" (vs. 2). The image here is that, as the incense gently rises to heaven, our prayers also rise to God as something sweet and pleasant.

Another ancient use of incense that has also become part of our Catholic tradition is the idea that when we incense something, it's because it is something special or sacred. This is why the Book of the Gospel is incensed during the Liturgy of the Word and the bread, wine, priest celebrant, and congregation are incensed at the presentation of the gifts. To this, we can also add the incensing of the Blessed Sacrament during eucharistic adoration and benediction, and the body of the deceased at the end of the Mass of the Resurrection (the Funeral Mass). ©LPi

## CATHOLIC TRIVIA – JUST FOR FUN

**Question:** What year marked the first time that Catholics in the United States were allowed to receive the Eucharist in their hands?

**Answer:** 1977. ©LPi
